MEMBERSHIP APPLICATION FORM

ABOUT US

The Stevenage and District Model Railway Club is an established & thriving model railway club, originally formed as The Lea Valley Railway Club over 50 years ago in 1962. Our membership has a wide range of interests, in various scales, both UK & foreign, from the steam era to today's modern image.

We are always pleased to welcome new members of all ages with junior membership commencing from 10 years of age and who must be accompanied by an adult.

We currently meet on Monday and Wednesday evenings from 19:30 until 22:00 and on Wednesdays & Thursdays from 10:00 until 13:00. (except Bank Holidays) Meetings are held in our own premises, the Old Baptist chapel in the village of Datchworth, Hertfordshire, some 15 minutes by car south of Stevenage town centre. Free car parking is available in the adjacent village hall car park.

We have a permanent 'O' gauge layout and portable 'OO' gauge and 'N' gauge layouts which can be exhibited at model railway exhibitions. Our committee includes representatives for each of the 3 layouts.

Members enjoy a variety of benefits including a regular club newsletter and a 10% discount on purchases at our local model railway shop, KS Models of Stevenage.

Additional club social events include slide shows/quiz/second-hand sales, visits to preserved railways & other places of interest.

For further information, please contact our membership secretary:-
